Welcome to Religious Education for 2020-2021!

- Due to our current Covid Restrictions, Religious Education will begin from home. We will provide resources and help as we work together to educate your children in the faith, and prepare them for Sacraments, but at this time, much of this task must be done by parents.
- We will re-evaluate returning to in-person classes in January.
- This will in no way impact the normal reception of Sacraments for your children.
- It is very important we have your email address to be able to communicate with you.
- Catechists will be available by phone and after Masses for questions.
